

FROM SCIENCE TO PRACTICE: Improving Mental Health in Persons with Intellectual Disability

**13th European Congress of Mental Health in Intellectual Disability
Berlin 23–25 September 2021 | Venue: Urania**

Register now!

The scientific committee of the EAMHID invites you to the 2021 EAMHID congress »**From Science to Practice: Improving mental health in persons with ID**« in Berlin. The congress will provide numerous formal meetings and informal encounters for scientists and practitioners, as well as persons with disabilities and their families.

Call for Abstracts

EAMHID 2021 welcomes submissions from research and practice related to intellectual disability and mental health, both from academic researchers, the professional community and participatory projects from people with intellectual disabilities either alone or co-produced.

Deadline for abstract submissions: 15th March 2021

All abstracts will be peer-reviewed and published in a special issue of the *Journal of Intellectual Disability Research (JIDR)*.

First authors have to register for the conference before **20th May 2021** for their abstract to be included in the abstract volume (special issue of JIDR).
